Hello! My Name is

MD.SADIKUL ISLAM (JITU)

I am Creative UI/UX Designer
Working with a strong focus on design and user experience.
I create digital experiences for brands and companies.

SUMMARY

I am a Creative UI/UX Designer with depth knowledge in HTML, CSS and JavaScript. I have 10+ years of work experiences to support my knowledge and skills. creating rough mock-ups that were refined and extended over many iterations. Once development was underway, made adjustments to mock-ups as necessary to address problems encountered by developers. My expertise lies in defining and executing a design strategy that is built on a deep understanding of user and business needs and the context that surrounds digital experiences.
